This is the fourth and final year of this program. It has been an Initiative of MAP. Some 40 Marist Confreres from Oceania and the Philippines have attended over these years.

Contents include: Lifestyle, Spirituality, Pastoral Reflection, Leadership, Marist Identity, & Mission, a Retreat, IT Skills.

On behalf of OMP we would particularly like to thank: Paul Donoghue who initiated the program, Paul Sullivan who has designed and co-ordinated it, Paul Cooney and Bob Barber who, as Provincials of Australia have hosted the event [and helped finance it, along with MMC], Michael Mullins for input and guidance, Charles Randle and Ron Nissen for strategic planning; and the Villa Maria Community for their gracious hospitality.

May the program bear enduring fruit for those who participated, for the Society of Mary and for the People of God we serve.
