

# CHURCH RESTORATION

The ceiling of the sanctuary will be painted and the pews are to be polished. The pews will be removed in batches so they can be sanded, stained and repolished.

We will maintain all our services except adoration. It is expected that these works will be completed by the latter part of August.

*We appreciate your patience and any contribution to help us pay for this vital project.*

*Please place your donation in the 'Church Conservation' box at the rear of St Patrick's or contact our parish office -*
