Dear Rev. Fr. Barber

I got a report from Kyoko who took the statue to Rome.

Here is her report about what happened on the evening of Sunday 4 Sept. at Marist General House in Rome.

Arrived at Marist General House at 5:30. Welcomed by Fr. Anthony and another priest. Six other Fathers joined the blessing of the statue. Prayers said and scripture read. Prayers of the faithful said. Salve Regina sung. A photo taken. After that the tea was served and Kyoko talked about the statue. They prayed together in the chapel.

Fr. Alejandro took her to the neighbourhood of Vatican. Isn't it so wonderful? The statue arrived there on the very day of Mother Teresa's canonization!

I am very very happy. Thanks be to God! Please send my best regards to every Father at Hunters Hill. We really enjoyed the stay there.

With many thanks and prayers.

Maria Sachiko
