MARIST ASIA PACIFIC (MAP) MEETING, RANONG, THAILAND.

Arcede) met together with Ben McKenna of the General Administration at the Tinidee Hotel in Ranong, Thailand, on 19—20 June 2018.

The structure of the meeting is now well established with each unit giving a report on the demographics and ministries of their unit and sharing information on men living and/or working in their units from other MAP units.

All the units have fragilities and issues of concern but all shared on a frank and honest level their problems and listened in dialogue to the thoughts of the others assembled. The high level of trust, the good nature of the discussion and the great hospitality of Asia helped the meeting to go very well. *(Report summary of the Map meeting by Tim Duckworth)*
