World Wide Coordination wmlc

Following the General Chapter of the Society of Mary in 2017, Acts were passed to develop and assist the continuation and establishment of the critical role of Marist Laity as part of the Marist family.

The Acts include:

1. Identity – the Vocation of Marist Laity.
2. What Accompaniment by the Society of Mary are we asking for?
3. Mission - How do we hope the Society of Mary will support and share the mission of Marist Laity?
4. How can Lay Marists and SM Fathers / Brothers mutually enrich each other?

Please download this PDF document, PRINT and share with your fellow Marists Lay or Religious.
