

DISTRICIT OF AFRICA MARIST FATHERS SCHOOL PROJECT NDIAKHIRATE – SÉNÉGAL

Number 11 / 04 October 2018

OPENING OF THE SCHOOL YEAR 2018-2019

The school year 2018-2019 officially opened on this Thursday 04 October 2018 at the Marist Fathers' school Ndiakhirate - Senegal. It started with the official opening ceremony and then the orientation of students into their various class rooms.

The number of students keep increasing each year and as for the moment, there are already 417 students registered. But there is still a heavy demand from parents to enroll their children and the number will probably increase in the coming weeks.

The rhythm and time table for the first three weeks of classes will be reduced because of the on-going works on the bloc A that has to provide three more classrooms. The contractor had some technical issues with the work and therefore requested for some additional time to complete the work.

Opening speech and introduction of the teaching and auxiliary staff by Mrs Salomé DIOUF (Dean of studies)

Class room

Students in class

The opening ceremony started with prayer: Catholic and Muslim

Students in class

Books and school materials

Children of kindergarten

Work continuing in the new class rooms (bloc A)

VISIT AND MEETING ON CONSTRUCTION SITE

The 5th and 6th weekly meeting on the construction site took place on the 26 September and 03 October 2018. Present in the last two meetings were: Architect (Mr. Preira Charles), Contractor A.Z. Group (Mr Malick Touré and Jacob), and the Marist Community Dakar (René Godard, Roger Kasiama, Constant Ephrem and Christian Abongbung). The major point on the agenda was the planning of work for the next three weeks while school is going on. The date line to complete all the works is 29 October 2018.
