Br Peter Carroll FMS elected Superior General

Today, the Marist Brothers gathered in their XXIII General Chapter held in Tagaytay, Philippines, have elected **Br Peter Carroll FMS** as the 15th Superior General of the Institute of the Marist Brothers.

Br Peter was born in 1958 in Australia and has a vast experience in the leadership of the fms provinces in Australia and the Pacific.

In his letter of Congratulations, Fr John Larsen assured him, in name of the whole Society of Mary, of our prayerful support, while looking forward to continue with him and all of our Marist Family to endeavor to build a new church in the rich tradition we inherit from all our Marist forebears.

Congratulations to Br Peter and to all the Marist Brothers!

On Monday the Chapter spent most of its time in finalizing the documents from the Commissions. The following declarations were approved:

- Finance
- Formation
- Community Life for Mission
- Shared Mission with Laity

The “Ordo Electionis” was approved, as well as a statement encouraging our efforts for the Cause of our Founder.

A document on the future of La Neylière was presented to the Capitulants and will be further discussed and decided on very soon, as well as the documents from the Commissions on Governance and Leadership, Legislation and Mission Today—which are hoped to receive the “green light” soon.

Official documents produced by the Chapter will be shared with the membership of the Society later, once they are further redacted and officially translated.

Today the Perpetual Professions of 6 confreres will take place in Nemi, witnessed by representatives of all the branches of the Marist Family. The celebration will be joined by the Casa di Maria Community and also by the Sisters, Confreres and lay staff of the General House Community.
