➤ **06/06 – Enthroning of the new crucifix for the Chapel and the planting of a “Manacá da Serra”**

With a celebration that was a little more formal, we enthroned the new crucifix for our Chapel. At the beginning of the celebration, we had the blessing of the crucifix with a small procession before we enthroned the crucifix. After the celebration, recalling the World Environment Day of the previous day we planted a “Manacá da Serra” in our garden.

We are always looking after our Comum House!!

During a whole week we had the presence of the Superior General – Fr. John Larsen – and his Assistant responsible for Formation in the Society of Mary, Fr. Juan Carlos. It was a joyful and very international moment here in the house.
