LEST WE FORGET REMEMBERING JEAN-CLAUDE COLIN AND HIS CAUSE FOR BEATIFICATION

The three sm communities around Suva, the Provincial House, Varani St, and Marist College came together to remember with gratitude the life of Fr Founder, Jean-Claude Colin, who was called to eternal rest 145 years ago on **15 November 1875**. It was also an opportunity to promote and pray for the cause of his beatification. A presentation was given on Fr Founder and the history of the work on his cause and familiarizing everyone with the current work by the Society's Network for the cause. The departure of Marie Françoise Perroton from France in the Arche D'Alliance happened on the same day 30 years earlier in 1845 was also acknowledged. We joined with the SMSM

sisters in remembering this milestone 175 years later.

Dernier Téné d'Antonin Musulamu (77)

He was originally from Futuna. He passed away on November 2nd at the Médipôle Hospital, Nouméa, after a long illness (cancer). He arrived in NC in 1964 as a postulant and made his novitiate at Nakety, on the East Coast, with Fr Jean-Baptiste Neyret. He renewed his vows for 9 years before leaving the Society and eventually got married. He spent most of his life with the Sacred Heart

Brothers at Bourail, teaching mechanics in their Technical School. He was one of the founding members of the Committee "Marche pour Notre Dame" in 1987 and the president of the Téné Diocesan Youth Rally, for 28 years. He was a kind-hearted person imbued with Marist values and dedicated to Mary's work in the Church. A great loss but another intercessor in heaven for all of us!
