PREFECTS' INDUCTIONS

ST JOHN'S COLLEGE, CAWACI, FIJI

At the beginning of each school year students and parents are always looking forward with excitement to the induction of their school's student leaders or prefects. It is not only a happy occasion for the students who were selected to be prefects but also a proud moment for the parents witnessing the trust bestowed upon their sons and daughters. At the same time the teachers are excited too since the prefects will be their first line of support in managing the students' behavior and the orderly conduct of all school's activities. Fr Provincial led the St John's

We wish St John and 'Apifo'ou as well as Dala School and Wainoni (Solomon) a very successful school year.
