The General House community and staff farewelled Fr Pat Devlin who has served since 2018 as Secretary General and General House Superior. During that years he has also accompanied the Student Priests in Rome and given spiritual direction to some of the students of Casa di Maria and the Novitiate. The Superior General and all those present thanked him for his gracious and generous service over the years.

## CHANGE OF LEADERSHIP IN OCEANIA

Fr. Milikiade Rayalu, in his role as Vicar Provincial, has assumed the responsibility of administering the Province of Oceania until a new Provincial is elected. The election process has already begun. The out-going Provincial, Fr. Setefano Mataele, has taken up the role of General Councilor and will be based in Rome from early 2023. Meantime Fr. Sete will assist Fr. Milikiade with his responsibilities.

As planned, the Superior General will visit French-Oceania in December. He will also attend the 2023 Provincial Chapter in January in Suva and visit the communities in Fiji.
