AN OMNES GENTES COMMUNITY IN SAHAGÚN

Recently, the General Administration and the Province of Europe have signed an agreement to transform the Marist community in Sahagún, Spain, to an *Omnes Gentes* Community from 1 January 2025. In 2018 the Province of Europe had started an international community in Sahagún to welcome pilgrims on their *Camino* to Santiago de Compostella. The members of the community are Fr José Antonio Fernández, Br John McAllister and Fr Valentin Aparicio, all from the Province of Europe and Fr Paul Molbwet from the province of Oceania. In February they will be joined by Fr Matthew Crawford from the province of New Zealand. It is hoped that in the future the mission will continue to be strengthened with the presence of lay volunteers.
